Nose Out Victory in Track Meet
By 7 Points—1920 Takes
Tug-of-War.

In the third and final game of the underclass football series last Tuesday, the Sophomores defeated the Freshmen by a score of 20 to 0. The touchdowns were made in the early part of the game and were the result of long forward passes. The Sophomores made their principal gains through end runs and forward passes, which the Freshmen seemed unable to intercept.

After the first half the Freshmen seemed to put more fight into their play and succeeded in holding the Sophomores. "Dug" Hathaway and "Shorty" Reed featured for the Sophomores. Gale was the star among the Freshmen. He succeeded in stopping several runs which except for him would have resulted in touchdowns.

The line-up was as follows:

Sophomores.	Freshmen.
Gillespie	Beattie

Kelsey	Hartmann

May	Carvey

Cunningham	Blumenstein

DeRose	Ripley

LONG DAILY DRILLS

Hard Scrimmage on Yesterday's
Program—Powell, Travis and
Blanchard Star.

The football squads have been going through long, hard daily practice since the Garnet's victory over R. P. I. Captain Rosekrans and Dawson are relentless in their efforts to keep the team in condition for the last two games of the season. The goal posts have been equipped with electric lights that the team may continue outdoor practice after sun-down.

In yesterday's practice several new players were tried out. Joe Powell has been doing excellent work at centre and the line-bucking of Travis and Blanchard of the second team was a feature of yesterday's scrimmage. Mudge is playing quarterback on the second team.

The squads and coaches are bending every effort to repeat this week and next the victory of last Saturday so that the season may be completed with a blaze of glory.

TWO DANCES GIVEN ON MONDAY NIGHT.

Monday night there were two dances on the hill. These were given by Alpha Delta Phi and Beta Theta Pi.

Mrs. Yelverton chaperoned the Alpha Delta Phi dance. The music was furnished by Pantin's orchestra.

The patronesses for the Beta Theta Pi dance were: Mrs. H. E. Starbuck, Mrs. A. J. Dillingham, and Mrs. H. F. Dewey.

ALPHA DELTS WIN. SEMI FINAL ROUND

Defeat Pyramid Club 12 to 10.

GAME IS FAST.

Notman and Palmer Star for A. D. Phi; Goodman and Fancher for Pyramids.

Alpha Delta Phi nosed out a victory over the Pyramid Club in the semi-final round of the Interfraternity Basketball tournament yesterday afternoon. The score was 12 to 10.

The game was far and away the cleanest and fastest of the schedule, and occasionally rose to the heights of varsity basketball. Alpha Delt drew first blood and pushed up to a four point lead at the start. Gradually their opponents asserted themselves until the score was tied. Then began a merry see-saw race that waxed hot right up to the final whistle.

Notman was probably the shining star of the contest, his ability to follow the ball being his trump card. His floor work was brilliant, rather better than his shooting. Wadsworth, Palmer and Lester, and Persons performed equally well and showed excellent pass work on numerous occasions. Wadsworth leans towards the spectacular as witness the duplication of his cross-country shot of the game before. He also shot two fouls with extreme ease. Wallace, Goodman and Sittner undoubtedly excelled for the Pyramid five, their work on the varsity squad last season standing them in good stead in the use of team work for working the ball down into the enemy's territory.

The final round of the basketball set-to will be played off Friday afternoon, when the winners of yesterday's contest will try conclusions with Delta Upsilon.

HAMILTON ASBESTOS.

The fire of victory was burning very brightly behind us last Saturday. We are expecting to fan up the flame again this week on the invasion of Amherst, and then again for the final struggle with Hamilton.

If we are disappointed in the brilliance of one or the other of these conflagrations, we will have no one in the world but ourselves to blame.

The trouble with us is that we don't know how to handle this fire we are playing with. It is a slow fire, this one is, not a flash, flary sort. It is a coal fire, not a wood fire. To have this sort of fire burn up through the fuel at just the right moment, it is first necessary to light it many days before.

We say it is a slow fire, and put up the result of the R. P. I. game to substantiate that statement. It took us and the team a week to work up to the mental and physical point where victory was forthcoming. We did not suddenly remember on Friday night that we were to meet R. P. I. on the morrow, and thus be instant in the frame of mind that would of necessity mean victory. No, it was a gradual process. Coal ignites slowly.

Hamilton is ten days away, and Hamilton's fibre contains a large percentage of asbestos.

"Keep your money in your pockets," are the great words of the great COACH plea made by Mr. Bankart in his speech at the Freshman reception this fall.

Everyone in college knows that the coach asked for student support throughout this season. Everyone in college knows that he wants the students to refrain from betting. Yet in the face of that plea of the man who has done most to make our team, and knows best how to make it a winning

team, some men are placing money on the Colgate-Syracuse game. Student betting on that contest amounts only to a fractional proportion of the vast sums which are booked. But still there is some student betting.

There are two classes of these Colgate men who bet on their eleven—those who can afford to lose and those who can not afford to lose. To both of these classes apply weighty reasons which should keep them from gambling on the game. Those which apply particularly to the first group are many and strong.

Whatever arguments actuate a student to bet on his team may be reduced to these: first, the desire to profit by the team's success, and second the plain effort to show college spirit. To add to one's property by the hard work of one's fellows is mercenary and cheap. For weeks the squad slaves out on Whitnall Field. On the strength of that squad's efficiency some rooters bet five, ten—fifty or more—dollars. Sometimes they win, and take unto themselves really the winnings of the team. They take money which was never earned, and if earned at all was earned by a squad of fighters in maroon jerseys, and not by the book makers.

Gambling on one's team should never be considered a manifestation of school spirit. It is a poor, mean spirit that can be expressed only in loud-voiced bets. It is pretty small spirit that can be measured by the length of a yellow-backed bill.

There is also the case of the men who cannot afford to bet and lose. Those are the individuals whose parents are making sacrifices to keep them here. They are the ones to whom the University has granted scholarship aid. And when those men gamble they are putting at stake money which

THE COACH SAID

they have no right to expose to possible loss.

The Maroon urges Colgate not to gamble on the big game. It is small and mean to add to one's own gain by the sweat of eleven college friends. Furthermore betting on one's team is never an evidence of a finer kind of college spirit. Many can not even afford to show that doubtful kind of loyalty which can be expressed only by taking a bet. Some men have not the money to waste that way. And Mr. Bankart, who by his sincere service for this college of ours, made the team of today, has asked Colgate to keep money in its pockets.

DRAMATIC CLUB IS BEGINNING ITS WORK

Musical Comedy to Be Presented Junior Week.

A Junior Week innovation is planned this year in the shape of a production by the Union College Dramatic Club to be presented at the Van Curler. "The Honey Haberdasher," a musical comedy is the title of the piece; words and lyrics by Mandeville, music by Knight. Downs, manager of the Dramatic Club, is at present engaged in securing a coach and it is expected that his choice will shortly be announced. Try-out will then immediately be held and practice will begin. There are places for twelve men in the cast and twenty-eight in the chorus.

JOHN MOORE RESIGNS

Y. M. C. A. CABINET

Loss Keenly Felt By Fellow Workers.

FAUST NEW LEADER.

Planned to Widen Scope of Committee Work—More Help Needed.

Mr. John Moore, who has until recently held the position of chairman of the Social Service Committee of the Christian Association, has been forced to resign because of the conflict of his duties with outside work.

While a member of the Cabinet and chairman of this committee, Mr. Moore brought to pass some of the finest and most successful work that has been accomplished in the Association in many years. He returned, early this fall, long before the opening of college, and devoted his time to starting the Association Employment Bureau. Through his labors a great many positions have been obtained for college men, and a great progress has been made in the routine work of the Bureau.

Mr. Moore will be very greatly missed by the Association, and his efforts for the betterment of fellow students will not soon be forgotten.

In order that the work of the committee may be continued President Imrie has appointed Robert Faust as chairman to fill the vacancy caused by the resignation of Mr. Moore.

"Bob" is particularly fitted to make a great success of this position, as he has had considerable experience in the work at the city Y. M. C. A.

It has been decided to widen the work of the committee still further and it is planned to have a series of socials during the winter, in order that students may be brought more into touch with each other. Still other plans are laid for work among foreigners, in conjunction with the City Y. M. C. A.

This work will require the assistance of many students. It offers a wonderful opportunity for men interested in social service to gain practical experience, and at the same time be of real value in service themselves. About ten men have already agreed to take up the work, and there is still room for many more. Men wishing to aid in the work this winter, should see President Imrie at Silliman Hall, or speak to Mr. Faust.

While plans are still in a formative stage, there is plenty of work to be done now, and the aid of any of the students would be appreciated.

ENGLISH CLUB NOTICE.
