## VARSITY TRIMS SCRUB TEAM IN SCRIMMAGE

More Material Needed to Give 'Varsity Proper Opposition.

### ART NOTMAN BACK.

Nine Men Vie for End Positions. Scrimmage Reveals Varsity in Good Condition to Meet St. Lawrence.

Yesterday Coach Murray sent his charges through one of the stiffest work-outs of the season. While the linemen were working on defensive tactics, the backs, Jones, Hanley, Hay and Travis, spent some time punting to Moynihan. The kicking problem is a serious one and will require much of Murray's time, if a man is to be found who can fill "Tubby's" famous shoe. Jones has the edge on the others at present, but while his punts have the necessary elevation they lack distance and would hardly gain the distance needed at a critical period in a game; however his form is not bad and under Murray's coaching he may prove to be the sought-for man.

Hanley worked with the candidates for the end positions on the development of the forward pass, and the indications points to this branch of the game being well taken care of.

Art Notman was in a suit for the first time and appears to be in first class shape for the hard weeks of training ahead.

After a short signal drill the scrubs faced the 'varsity in a hard scrimmage. The 'varsity line is far heavier than the seconds and the regular backs found little difficulty in making their distances through line-bucks.

Travis hit the line with all the old drive he displayed last year and Hanley used his weight to advantage on plays through tackle. The scrubs were well represented on the wings by Notman and Coit, and the 'varsity found it much harder to make their distance on end runs than by straight drives.

After scoring twice on the scrubs the regulars were given the ball on their twenty yard line and acting under orders started an aerial attack. Jones made several good gains at this form of play and by accurate passing from

## FRESHMEN ARE BID WELCOME TO UNION

And Called to Try-Out For Activities.

### EXHORTED TO STUDY.

And Regaled With Neapolitan Ice Cream and Lady Fingers all in One Evening.

Between one hundred and fifty and two hundred students besides Dr. and Mrs. Richmond and several members of the faculty and their wives were present at the reception to the Freshmen given by the Y. M. C. A. in Hanna Hall Monday night.

Winfield Swart '19, chairman of the Entertainment Committee of the Y. M. C. A., acted as master of ceremonies and presented the speakers. Students representing various student activities, including athletics, members of the faculty and the President were on the programme. The student speakers were mainly concerned with setting forth the work of the organization which they represented and for which the Freshmen were invited to try-out.

Dr. McComber made a plea for better physical training on the part of the student body in general and urged all to make use of the facilities for exercise furnished in the gymnasium.

Prof. Bennett spoke on behalf of the faculty. After lamenting the decline of the study of English grammar and the confusion in the mind of the Freshman of the present day between the proper use of "will" and the proper use of "shall," Prof. Bennett delivered an exhortation to the new men designed to stimulate their industry in an academic way. He said in part:

"The times command us to be sober. Those who are not bearing arms feel that whatever they are doing is of secondary importance. The real service of the present is to offer to lay down your life. The least that can be expected is that we who are here shall do better work all around: harder work and more serious than before."

"There has been a tendency in recent times to pay more attention to getting things done without regard to getting them done well. Now we must do things better. I exhort you Freshmen to get a good start, to keep on and make a good finish."

To accennate his remarks the speaker read an aphorism from Aristotle: "Good runners don't drop until they reach the goal; they don't flag before that because they look ahead to the finish."

In welcoming the entering class Dr. Richmond said:

"We welcome you to the brotherhood of students here. This is not one of those educational department

(Continued on page 4)

## TRAINING TABLE APT TO BE QUASHED

Athletic Board Will Take Final Action Tonight.

### TO ELECT ASST. MANAGERS

Teams on Fall Schedule Have no Training Tables, Replies Say. Hamilton Game Is Still In Suspense.

Assistant managers of baseball, basketball and track will be elected by the Athletic Board at its meeting tonight. Aside from these elections the Board has a number of important matters to discuss. A decision regarding the maintenance of a football training table this fall is looked for, since the matter was carried over from the last meeting the understanding that definite action would come tonight. The chief argument against running the table this year seems to be the fact that the National Intercollegiate Athletic Association recommends that the custom of maintaining a table be suspended for the duration of the war by all colleges represented in the association. At the August meeting of the association it was pointed out that Secretary of War Baker believes it is in the interest of economy to do away temporarily with the training tables and that the training table has the effect of centering undergraduate attention upon specialized athletics from which the government would have colleges turn toward sports in which all students take part.

Before accepting in its entirety the view of the national body, the Union Athletic Board has been in correspondence with the managements of a number of teams representing colleges of the same standing as Union. Replies from most of them are to the effect that they are carrying on no tables this fall. Among the colleges thus heard from are Columbia, N. Y. U., Amherst and Hamilton. It is far from unlikely, in the opinion of some members of the Board, that the Athletic Board will also decide to abolish the training table for the time being.

The matter of the still pending Hamilton game has heretofore prevented action by the Board in ratifying the revised football schedule, which is complete with the exception of the Hamilton engagement. Failing the receipt of word from the Hamilton management, Manager Philip will attempt to date another team for November 17th. Should he be unable to negotiate a substitute engagement, the Garnet season will end on November tenth. The Board will pass upon a permanent schedule tonight.

## H. A. TOWNE ELECTED SENIOR PRESIDENT

George F. Mosher Is Made Secretary-Treasurer.

### CLASS OUT IN FORCE.

Towne's Election Makes Necessary Election of Five Terrace Councilmen by Student Body.

Hunter A. Towne was elected president of the Senior class over F. G. Bascom at a meeting of the class in the chapel this noon. Towne received 30

Hunter A. Towne.

votes and Bascom 18.

George F. Mosher was elected secretary-treasurer over Fred W. Fisch by the vote of 27-22. F. G. Bascom was

George F. Mosher.

chosen vice-president without opposition.

## HUSH MEDICINE WANTED.

Is there no remedy, no poppy or mandragora or drowsy syrup of the East, "soother than the creamy curd," which administered to the students would lull that malign impulse with which they are seized in chapel immediately after the hymn or Scripture text is given out, impelling them to raise an inordinate hub-bub, louder than the murmurs which ran through the Grecian host after the prayer of Apollo's priest?

If there is hid away in the "bowels of the harmless earth," in some unknown grot or secret cave, or in the petal of some shrinking neglected flower, some opiate, strongly sedative, with brief dominion over the human frame put potent while it takes, will no cunning physician seek it out and test its virtues in checking this wild uproar?

What there is in the announcing of a hymn number that provokes at once three hundred tongues "to rise and mutiny" would plunge the wisest sage into a quandry. But whatever it is, after several years of wasted patience it is evident that to overcome its baleful influence some extraordinary remedy must be requisitioned.

Let us sleep in chapel, drugged if we must be, but tranquilly and in silence.

"O, for some drowsy Morphean amulet!"

## HANNA HALL.

The students who attended the Freshman reception in Hanna Hall on Monday night must feel doubly grateful to Mr. Hanna for this expression of his munificence, so great a relief it was to attend that affair without the

discomfort occasioned by the suffocation and crowding which prevailed in Silliman Hall when the reception used to be held there.

Hanna Hall is not only spacious enough to accommodate comfortably the major part of the student body and to admit of ample ventilation, but the acoustic properties are excellent. Moreover it is a beautiful room such as improve the cheerfulness and equality of its occupants.

The student body is grateful to Mr. Hanna for his generous contributions to the educational advantages of the college, as exemplified by his latest gift, the Chandler Memorial, but they are especially indebted to him for his contribution to their social life, Hanna Hall.

## HAMILTON GAME ASSURED

The Hamilton Life for September 25 states that twenty men were out for football at Hamilton on the first day of practice and the prospects are that a team is assured. A temporary captain was elected and more men have appeared since the first practice. The four games that had been cancelled have been re-booked and a coach is being sought.

## PRESS CLUB WILL MEET TONIGHT FOR FIRST TIME

The Press Club will meet tonight at 7:15 in the Press Club room in Washburn Hall for the purpose of electing a president and organizing for the coming year. All Freshmen desiring to try out for the club are to report at this meeting.

## GLEEMEN OUT TONIGHT.

The Glee Club will hold try-outs tonight in Silliman Hall at 7:30. Talbot '18, leader of the Glee Club has requested all Freshmen who can sing to come out for the club. Any other men who feel that they have the requisite ability are also asked to come out.

H. Ralph Knight ex-'17, former editor-in-chief of THE CONCORDIENSIS, whom sickness compelled to leave college last year, has recovered his health and will enter the Pulitzer School of Journalism at Columbia University in the class of 1919.

Hyman W. Sevits '18 is acting as successor to Smith ex-'18 as assistant librarian in the College Library. Smith was drafted.

## CROSS-COUNTRY OR NO CROSS-COUNTRY?

John D. Brown '18, manager of Track, has issued a call for all men interested in cross-country to meet at the gymnasium tomorrow afternoon at four o'clock to discuss the advisability of having a track team this year. It is expected that the question will be finally decided at that time.

All Freshmen who would come out for the team are requested to be present at this meeting in order that it may be known what new material to count on. There are eight men of last year's team in college this year: Peaslee '18 (captain), Hance '18, Stebbins '18, Watts '19, A. W. Ladd '19, A. S. Ladd '19, Lyman '20.

No schedule has been prepared but if enough men for a team come out, Manager Brown will arrange for meets with other colleges.

## WITNER, GOFF AND MAY MAY BE BACK IN COLLEGE

It is expected that several men who are serving in the Naval Reserve may return to college. Men in such service who are under twenty-one years of age are being released to resume their college courses. Griswold '19 and Notman '20, who were in the service this summer have come back and Homer Goff '19 and Billy May '19 may return soon. Hal Witner '20, who is in this service may also return.

John A. Taylor '18 is attending the Albany Medical College.

## FIRST DRILL FINDS 180 IN BATTALION

Students Assist Lieut.-Col. Goldman in  
Organizing Men—Lieut. Nors-  
worthy is Expected Soon.

The new course in military training began in earnest this afternoon with a preliminary meeting and short drill. About 180 men who are to take the course this year, a large proportion of them being freshmen, assembled at 3:30 near the bulletin board and at once steps for organizing the battalion were begun under the direction of Lieut.-Col. Henry J. Goldman, U. S. A., retired, who will be the commandant at Union this year.

The men were first divided into two groups, the larger composed of men who have had no military training and the smaller made up of students who were given drill last year. Both units were then split up into smaller divisions, each of which was commanded by a student officer who has had experience in drill.

The principal business of the afternoon was the teaching of some of the elements of drill, namely the first few steps in the School of the Soldier.

Lieut. Norsworthy, the Canadian officer who will assist Col. Goldman, is not expected in Schenectady until the latter part of this week or the first of next week.

The following men assisted Lieut.-Col. Goldman: Calkins '18, Kennedy '18, Lester '18, Slade '18, Towne '18, Underwood '18, Hoag '18, Griswold '19, Potter '19, Reynolds '19, Frees '19,

## BAND IS DISMAYED BY SLIM TURN-OUT

The strains of the cornet and alto horn broke over the transoms of Silliman Hall last Tuesday night and announced to the campus that the return of the band had come. The rehearsal, however, was rather disappointing—so much so, in fact, that the veteran musicians are convinced that it is a question of "more men or no music."

Only three Freshmen turned out against last year's fourteen. "And yet," quoth our band leader, "with only eleven men, they expect us to make a showing against R. P. I.'s thirty piece 'music-box' under a professional director. We must have twenty-five men at these try-outs or there won't be any music at the games!"

Students will doubtless recall that the Garnet band far overshadowed the Trojan professionally trained players at the basketball game last year. They promise as much this year, if the turn-out at rehearsals is large enough to warrant it. So, students, go to it.

The next try-out occurs next Tuesday night at 7:30 in Silliman Hall.

## BOLTS! BBOLTS! BOLTS!

Dean Ripton will not meet his classes tomorrow.

Dr. Ellery will not meet his classes on Friday. Business connected with the new Chemistry Building takes him to New York City.

Kelsey '19 and Taylor '19.

These men are serving only temporarily as assistants to the commandant.

## TRACK TEAM NEEDS FRESHMAN RECRUITS

Track, like the other major sports, has suffered largely through the war. Many of Union's best track men being out of college this year. The replacing of these men and the usual addition of new men is the serious task which confronts Captain Northrop in his efforts to build up a successful track team, and he is depending largely upon the incoming class of 1921 to supply the material.

## THE LITERATI MEET SOON.

Next week the English Club will probably hold its first meeting since last spring when it ceased meeting at the time military training was absorbing attention. At this meeting two new members from the Senior Class will be elected to fill the vacancies occasioned by the absence from college of Theodore de C. Palmer and W. Gibson Carey.

As yet the Club has arranged no programme for the ensuing year.

stores where you are lost in the shuffle as soon as you get there. This is a and conditioned educoats m h m m college large enough to receive all sorts and conditions of men and small enough for all of us to know each other and be interested in each other. You are very fortunate to have chosen a college not too large, a college where there is the community college spirit. We have it here and we welcome you to your share of it."

Following the speeches ice cream and cake were served.

Following is the list of speakers: Arthur Newman '18, president of the Y. M. C. A. Hunter A. Towne '18, manager of basketball; James F. Peaslee '18, captain of baseball; William P. Northrup '19, captain of track; Prof. Bennett for the faculty; Frederick G. Bascom '18, editor-in-chief of THE CONCORDIENSIS; Edward M. Cameron, Jr., '18, manager of the Musical Clubs and president of the Classical Club; William R. Barnett '19, vice-president of the Press Club; President Richmond.

Sidney Talbot '18, leader of the Glee Club, and James Hulshizer, president of the Dramatic Club.

## MR. HANNA'S GIFTS TO THE COLLEGE TOTAL \$70,000.

Mr. H. Melville Hanna, of the class of 1860, whose gift of ten thousand dollars for the equipment of the new Chemical Laboratory was recently announced, has given during the past few years a total of about seventy thousand dollars to the college.

On four occasions he has made gifts of ten thousand dollars each: For the Gymnasium Alumnorum, for the restoration of the central wing of Washburn Hall, for the John Bigelow Memorial and for the equipment of the Chemical Building.

In addition to these gifts he has made substantial increases in the general endowment of the college and last year made a special gift for chemical apparatus.

## FRATERNITIES PLEDGE NINE ADDITIONAL MEN

Since the first list of pledged men was published in THE CONCORDIENSIS five fraternities have pledged nine more Freshmen, as follows:

Delta Phi—Exton B. Wilber, Gouverneur; Edward Hewlett, Schenectady.

Delta Upsilon—Cecil Waterbury, Kinderhook; Crawford McChesney, Schenectady.

Phi Delta Theta—Willard Posson, Schenectady; William Cranston, Luzerne; James W. Seymour, Albany.

Psi Upsilon—John Lamprey, New Rochelle.

Phi Gamma Delta—Alexander Stewart, Rochester.

## H. A. TOWNE ELECTED SENIOR PRESIDENT (Continued from page 1)

Hunter A. Towne is a member of the Delta Phi Fraternity. He was tapped for Terrace Council at Madison Barracks last spring and was chairman of the 1918 Junior Prom.

George F. Mosher is a member of the Pyramid Club. He has been active in athletics and Y. M. C. A. work.

The election of Towne to the office of Senior President makes necessary the election by the student body next Monday of five members of the Terrace Council, as Towne is already a member of the Council and the Senior President by virtue of his office is a member of the Terrace Council. He is also president of the Student Body.

W. Henry Martin ex-'20, is taking a commercial course at Columbia University.

L. Prescott Brown '18, is taking first year work in the Albany Medical College and will take his A. B. degree here with the class of 1918.

## 'VARSITY MAULS SCRUBS BY SUPERIOR WEIGHT (Continued from page 1)

Travis and Hanley had no difficulty in scoring twice more.

When the scrubs were given the ball the superior weight of the 'varsity broke through interference to such an extent that end runs were useless and only small gains were netted through the line.

It is absolutely necessary that more men come out for practice to add weight to the second team line, if the 'varsity is to have the work-out they need on the defensive. Briefly, the outstanding features of the day's play was the work of the 'varsity line as a whole, which appears to be in fine shape for the opening game, and the work of Jones, Travis and Hanley in the backfield. Captain Moynihan has little opportunity in his present position at quarter to show his speed and yet keep behind his interference, and with the probable return of Goff and Witner to college he will undoubtedly take his old place of last year.

The work of the scrubs was good and the spirit displayed excellent. Coit and Art Notman at the ends, Al Notman '21 at tackle, and the defense work of the backfield were the outstanding features.

Union has seldom had such a wealth of good material from which to choose ends, and with the nine candidates for the positions so nearly on a par Murray will be apt to make several trials in Saturday's game.

The preparation for the St. Lawrence contest will probably end Thursday with a scrimmage and Friday will be devoted to signal drill.

Coach Murray has not announced his line-up for the game and may not do so until the last moment but Captain Moynihan, Hay, Hanley, Jones, Travis, Hochuli and Lehman are almost sure to start the contest.

In practice yesterday afternoon Captain Moynihan received a bruise on his knee which compels him to walk with a cane. Whether or not this injury will prevent him from playing in the St. Lawrence game Saturday is still uncertain.
