BASEBALL TEAM MEETS R. P. I. CONQUERORS

Worcester Poly Team to Play
This Afternoon.

GILBERT MAY PITCH.

Prospects For Victory Bright—
Beaver, Reynolds and Witt-
ner Are Hitting Hard.

Captain "Hal" Wittner will lead his stalwart wielders of the bat against the nine of Worcester Poly this afternoon. Little is known of the visitors, except that they overwhelmingly trounced R. P. I. a few weeks ago by a score of 10 to 2. But the Union team has shown a steady improvement in hitting and fielding, and it is safe to say that the Engineers will find the Garnet harder picking than they found the Cherry. The victory over Rutgers was very encouraging to everybody. The student body had almost given up all hope of having a successful ball team.

The infield has perfected itself in precision and now presents an excellent combination. Hanley at first, Brucker at second, Lewis at short, and Mallery at third, are all fielding like embryo Maranvilles. Their hitting has also improved. Brucker, for one, has found his batting eye. Bartley has also been showing form around the keystone sack.

In the outfield, Beaver and Reynolds will hold down left and center. So in these two positions, the Garnet has no cause to worry. Beaver has been making two hits a game since the New York trip and best of all, he is there when hits mean runs. Reynolds ranks number two in team hitting. Right field will probably be taken care of by Butler, who showed up well in the Rutgers game. Butler is a sure, steady fielder and a fair hitter. If he is called on to pitch, Clark will return to his old position in the outfield.

Wittner will don the mask. "Hal" has not only been catching up to his 1917 and 1918 brand, but also he is hitting the ball harder than ever. The pitcher will be chosen from Holeran, Gilbert and Butfer. "Hollie" showed what he could do with a little support when he pitched the Garnet to a 7 to 2 victory over Rutgers Friday. Gilbert, who pitched excellent ball against Hamilton, has recovered from his injury and wants another chance to show what he can do.

The Sophomore class team, aided by a few upper-classmen, defeated the varsity Tuesday in a scrub game. The second year team, which is largely composed of men who are ineligible for the varsity, has been giving the first team some excellent practice.

TENNIS MATCH WITH R. P. I. THIS AFTERNOON

Captain Lefkowitz Will Lead His
Embryo MacLaughlins
Against Trojans.

The varsity tennis team, which so far has had a clean slate, is scheduled to play the R. P. I. team this afternoon. Captain Lefkowitz will lead the same quartet of future Wildings against the Trojans, as so gloriously defeated them last year.

"Tom" Wilber who has not lost a match this year, will play No. 1 on the Garnet team. Wilber gives promise of developing into the best tennis player Union has produced. Wadsworth, veteran of three successful seasons, will be in the No. 2 position. Hawkes, who has played a steady game for two years, will fill No. 3. Captain Lefkowitz, who although not ranked as high as Wilber, generally manages to come out of his matches a victor, will occupy the fourth position. Dewey, who has been showing much promise, will be on the sidelines. Wilber and Wadsworth will constitute one team in the doubles. The other team will be picked from Captain Lefkowitz, Hawkes and Dewey.

So far this year, the Garnet has defeated Rutgers and N. Y. U. The matches, scheduled with Colgate and Williams, were called off because of the adverse influence of one Jupiter Pluvius. Last year, the same quartet went through a long and strenuous season with but one defeat.

Worcester Tech Men Will Entertain Team

Alumni of the Worcester Polytechnic Institute from this city and surrounding places will gather here Saturday to witness the baseball game between W. P. I. and Union. Following the game, the Schenectady alumni will entertain the W. P. I. boys at the Mohawk Hotel at a dinner.

One of the features of the entertainment will be a talk by C. E. Eveleth of the General Electric Company, who will recite his experiences while fighting submarines with a sound detector. Mr. Eveleth's talk will be illustrated by lantern slides.

The committee in charge of the affair consists of W. L. Towne, president of the W. P. I. Alumni Association; B. D. Foot, C. L. Prince and A. F. Hobbs. Many Worcester "Tech" men from Albany, Troy, Amsterdam, Schenectady, Saratoga and other points are expected to attend.

Masons Offer Scholarship at Union College

Resident of Fraternal Home at
Utica to Be Given an
Education.

At a meeting of St. George's Lodge, No. 6, F. and A. M., last night, it was decided to offer a scholarship at Union College for a four-year course to a resident of the Masonic home in Utica.

One scholarship will be offered for 1919, 1920 and 1921 where more than one resident of the home is eligible, the highest average academic marks will be given preference. From \$200 to \$300 annually will be paid the student.

Distinguished Grad to Deliver Memorial

Dr. John Van Schaick, Jr., '94,
Will Conduct Memorial
Vesper Service.

The Rev. Dr. John Van Schaick, Jr., of Washington, D. C., is to deliver the memorial address at the Memorial Vesper service to be held Sunday, June 8th, in connection with the 123rd commencement. Dr. Van Schaick is a graduate of Union with the class of 1894, and has made a very distinguished war record. He was the representative for Holland for the Rockefeller Foundation War Relief Commission, January-July, 1915. July, 1917, he was in France and Belgium for the American Red Cross with the rank of Lieut.-Colonel, as first Deputy Commissioner, later being made commissioner. In recognition of his work, he has received the Medal of Honor from the University of Brussels; Honorary Doctor of Medicine, University of Liege; and an officer of the Order of Leopold with military decoration.

Other noted people who received this honorary medical degree with Dr. Van Schaick were: Herbert Hoover, Clemenceau, and the Queen of the Belgians.

TO MEET RENSSELAER TRACK MEN TODAY

Union Stands Excellent Chance
For Victory.

TEAM IN GOOD FORM.

Rapelje Will Try for High-
Jump Record—Weak Points
in Field Eliminated.

The Union track team hopes to annex its initial victory today when it meets its old rivals from R. P. I. The team has been rounding into form very rapidly. The weak points in the distance runs and field events have been eliminated to a great degree.

In the 100-yard dash Union has Potter, Graubart and either Lyman or Stevens. All four of these men are running better than ever. In the 220-yard event Graubart, Stevens and either Mosher or Zehfuss will wear the Garnet's colors. Stevens' defeat of Graubart in the inter-class meet last Saturday was particularly gratifying to all followers of the track team, as it assures two first-class men for all the sprints. Potter, Graubart and Stevens in the 440-yard dash afford perhaps the best entry in the meet.

In the 880-yard run Zehfuss, the best half-miler on last year's team, has recovered from his illness and will have a final chance to win a letter. Eddy of the Sophomore class has been running well all year, while Houck showed that he has the necessary stuff by defeating Eddy in the inter-class meet. Lucas of the Freshman class is also making an excellent showing. Dean, the crack two-miler, won the one-mile run last Saturday in 5:02 2-5. He undoubtedly will participate in both the mile and two-mile affairs this afternoon. Boardman and Locke are showing up well in the mile event, while Van Deusen is to be heard from in the two-mile event. L. C. Freedman, last year's star in the long-distance event, has also recovered his pristine wind and should make Dean and Van Deusen hustle.

Captain Rapelje and Hoag or Warner will take care of the 120-yard high hurdles. "Rap" is going better every day. His defeat of Lyman in the 220-yard low hurdles last week also shows he has the "goods" in that event. Both Rapelje and Lyman are going excellently in the low hurdles.

In the pole vault Union has Davies, Lyman and Hale. While none of these is a vaulter of "Joe" Jones' ability, they are all steady workers. Rapelje will make a final effort to break the high jump record this afternoon. Campfield has also been rounding out in this event and will be heard from. Graubart, Beekman and Speer are all on equal terms in the fight for third jumper. Lyman, Graubart and Campfield will perform in the broad jump.

The New Honor System.

(By J. L. Dawson Speer.)

It must be fully realized by each and every undergraduate of Union College that the honor system is his most priceless heritage and possession. "Honor is without price." We here at Union have the divine right of a sovereign people—that of self-government—and in order to preserve this right we must prove that we are competent to rule ourselves. The honor system is the backbone of our government, and we must see to it that it is not abused. Union since its first foundation has always stood for everything that is clean, honorable and pure in college life. Our teams are noted throughout the country for their cleanliness and sportsmanship. In order to continue this tradition and keep the fair name of our college unblemished, it is the duty of all to guard carefully our honor.

The pledge itself does not require a student to report another; but in order to comply with the true spirit of the system, it is absolutely essential that every student make it his duty to see, not only that he himself does not cheat, but that no one else cheats either. It must be clearly understood that this is not tale-bearing but that it must be done in order that the system shall live. A man who is a liar and a cheat is not wanted at Union College, and the sooner he finds out about it the better for all concerned. Often if a man is caught the first time and properly punished it will make a man of him. Moreover, it requires more courage and manhood to report one's friend than not to, and if the friend is worth while he will think more of you if you report him than if you let him go.

It must be remembered, further, that at all times a Union College man conducts himself as a gentleman, and he is supposed to conduct himself during an examination just as if the professor were in the room. This, also, is a matter of the spirit of the honor system and does not need to be included in the constitution.

The honor system is a part of each and every student of Union College and it is to be his supreme duty so to instill this spirit into the incoming Freshman class that they would rather die than lie. To a large extent this

matter rests with the president of the court, but his efforts will be useless without the whole-souled backing of the entire undergraduate body. The chief beauty of our system is its simplicity and compactness.

The majority of students feel that the new honor system is an improvement over the old. The chief criticism seems to be that it is too utopian. After a system such as we have been used to, the brevity of the new one, the fact that it does not require a written statement that the student has "reported all violations of the honor system that have come under his notice" seems, as one student put it, "to leave everything to the man's honor." Aye, there's the rub. It is the heart of the new system; it was not the heart of the old, and hence the change.

Mr. Speer has struck the keynote of the whole matter in the above article when he says that this spirit of honor must be so instilled in the students of the college that they will not tolerate a man who falsifies. No tedious enumeration of penalties, no lengthy clauses will succeed if everything cannot be left to a man's honor. The suggestion of reading and passing upon the constitution each year is a good one. Anything which will aid in driving home the point that everything depends on the personnel of the student body should be resorted to. Spirit will be the determining factor, not words.

That twenty-two has taken her
place in the council of her elders was
borne home to us in a striking man-
ner the other day. After a year's silent
absorption of words of wisdom she has
at last suggested an answer to the
Honor System. "The trouble with the
Honor System," said one of her mem-

honor." A suggestion followed that a
committee be appointed to look into
the matter and formulate a solution to
this all too apparent difficulty.

Lyman showed that he had the stuff in the Williams meet. Both Graubart and Campfield displayed fair form last Saturday, when Lyman failed to qualify.

Douw Beekman will take care of the weights as only he can. Graubart, who is displaying the versatility of a Legendre or Bartels, is the second choice in the shot put, with Holmes improving daily. Meyers is rounding out as a worthy second man in the hammer throw. Bartlett and Meyers are displaying good form in the discus throw. Speer also is improving in the weight events.

All in all, the team has an excellent chance of victory this afternoon. The meet starts at 2 P. M.

Rensselaer had a workout Wednesday night under Coach McDonagh, which took the form of an inside meet in which the different entrants in the events today against Union participated. The Institute runners went strong in the distance runs and in the hurdles. Captain Smith and Judson, in the mile and two-mile runs, made excellent time and ran like a team, running almost side by side the whole distance. In the 220 hurdles Hamsel, Oliver and Young are being counted on for places, and Wheeler, Paul and Johnson are the entrants for the 120 high hurdles. Hamsel is the Cherry's fastest man in the hundred, with Finn and Dietrich following him up. R. P. I. is not as strong as Union in the field events according to results of past meets this year.
