MOYNIHAN BETTER.

He and Mudge to Be Shifted Back to Original Positions on the Ends.

Undaunted by its defeat at the hands of New York University, the Union squad has been going through stiff practice daily, developing the machine for next Saturday's scrimmage with Rensselaer Poly at Troy. Fortunately none of the eleven were seriously injured in the N. Y. U. game, all of the men being in good condition

except "Frankie" Moynihan who is recovering from an injured heel. The coaches are adhering to the old policy of fundamental football, in perfecting the plays for the R. P. I. game. Much time has been devoted to end-work, and Moynihan and Mudge are to be tried on end positions. Mudge and Goff are being held in reserve for quarterback.

One more day remains before the game, in which time the finishing touches will be put upon the (Continued on page 6)

REPUBLICAN CLUB MEN WILL HEAR HUGHES; CANDIDATE TO SPEAK AT THE VAN CURLER

Charles E. Hughes, Republican nominee for president, will speak at the Van Curler Opera House this afternoon sometime after 4:45 o'clock. Mr. Hughes will be accompanied by Mr. Nagel, Secretary of Commerce and Interior in the Taft administration, who will also speak. Judge LaBouf will commence speaking at 4:45 o'clock and will continue until the arrival of Justice Hughes and Mr. Nagel. Owing to the fact that many Union College Republican students will not be able to attend this gathering on account of classes, the Republican club will

not attend en masse, but it is hoped that all students who are not confined to the campus by classes will attend.

This is, perhaps, the last opportunity that the students will have of hearing Justice Hughes before election day.

President Richmond is vice-president and one of the members of the reception committee which will meet Mr. Hughes on his arrival in Schenectady tonight. The committee, which is made up of prominent men of the city, will escort the Republican candidate to the Van Curler theatre.

TAYLOR '19 HEADS SOIREE COMMITTEE

Douglas Hathaway, president of the Sophomore class, has appointed the following committee for the Sophomore Soiree: Brenton Taylor, chairman; Arthur B. Dougall, Robert Faust, James F. Davidson and Walter L. Alexander. This is the first of the big college dances of the year and will be held December 16. Plans will be begun at once to make the event a great success.

FRESHMEN MEET TO DISCUSS "PEERADE"

Chairman Carey Makes Plea for Early Tax Payment.

At the meeting of the Freshman class Tuesday noon the Freshman Peerade Committee, of which "Gib" Carey is general chairman, started under way plans for the event which is to take place Saturday, November 18, the day of the Hamilton football game. The freshman were urged to come forward with ideas relative to the peerade and to report them as soon as possible to the committee. Every member of the class of 1920 should pay the "Peerade" assessment before Saturday.

The committee requests the student body to make no delay about paying its share of the financial burden and to do so at once, as the committee is already handicapped by lack of time. Ideas, also, are especially welcome and in each of the houses one of the members has been asked by the committee to take charge and to keep things moving. "Gib" Carey reports that several unique ideas have come in which will be used to advantage.

JUNIOR PROMENADE COMMITTEE ANNOUNCED

President Gardenier of the Junior Class has announced the Junior Promenade committee. Hunter A. Towne, of Duluth, Minn., was chosen chairman, and the other members are Guy H. Beckett, Omaha, Neb., Kenneth W. Stillman, Argyle, Bernadotte P. Lester, Saratoga, Leonard H. Frazier, Amsterdam, and Martin E. Morris, Schenectady. It would appear that the committee is a happy choice and that a most successful Junior Week is assured.

There will be a campus meeting in the Gym on Friday, November third, at 7:15.

PSI U.'S TRIMMED BY THE PYRAMIDS

First Game of Second Round.

SCORE 11-8.

Contest Fast From Start to Finish—Goodman, Brown and McCauley Star.

The second round of the basketball series has begun. The Psi U's were defeated by the Pyramids by a close score of 10-8. The game was without a doubt the best of the series, each team seeming to have an unlimited amount of the good old "pep." So fast was the contest throughout that the sparks flew from start to finish. Goodman was the Pyramid's star, while "Sid" Brown and "Jack" McCauley featured for the Psi U's. Cantey, Kertcher and Talbot also played up to form. The pass work of both teams was fine, as was their scoring ability, showing marked improvement over the games of either of the teams last week. The Psi U's had the game on a platter during the first half, having the advantage by six points, when the Pyramids took a new lease of life and came through a winner.

Psi Upsilon—Talbot, forward; Kertcher, forward; Brown, center; McCauley, guard; Cantey, guard.

Pyramids—Fancher, forward; Sitner, forward; Goodman, center; Wallace, guard; Guild, guard.

Goals from field—Goodman (4), Guild, McCauley, Cantey, Talbot, Kertcher. Referee—Schoy. Time of quarters—5 minutes.

NOTICE.

Reserved seat tickets for the Amherst football game will go on sale for students at the Gymnasium at four o'clock on Friday, November third. After Saturday noon reserved seat tickets for the Amherst game will be on sale at Quinn's drug store.

THURSDAY, NOVEMBER 2, 1916.

On account of the game in Troy on Saturday, November 4th, there will be no issue of THE CONCORDIENSIS.

THAT ROAR.

The college feels that the football season reaches its crucial—to use a hackneyed phrase—stage this week. It sees that Saturday brings us to the dividing of the ways. The road will fork on Saturday; one way will lead us to success, the other to failure.

The college knows that a victory over R. P. I. will give the team a good, healthy shove down the right road. And it knows that defeat will mean a start down the wrong one.

Should the team take the wrong road Saturday, it will make good its mistake the week after. But it will mean priceless minutes, invaluable wind lost, this retracing of the steps, and therefore there will be no mistaking of the way. The team will take the right road. And the college will be there to make the right choice doubly sure.

The college will go to Troy to a man. When the team tumbles out upon the field, it will be met with a roar that will send chills of victory running up and down its spine.

That roar will be at the bottom of every play. It will pat the team on the back when it comes up for a gain, and it will kick it back to work when it comes up for a loss. When R. P. I. is peering over our goal line, it will give the team the strength of Gibraltar: when we are peering over their line, it will give the team the something that makes it invincible.

That roar is going to drive the team crazy Saturday, just as it drove it crazy on South Field two weeks ago. That roar is going to thrash R. P. I.

It is going to be the sign post at the dividing of the ways.

DR. HOFFMAN TO SPEAK AT VESPERS

Schedule of Speakers Out for 1916.

Students who attend the Sunday vesper services will be pleased to learn that Dr. Hoffman will be the speaker this Sunday. It is well known by both students and faculty that Dr. Hoffman always has something important to say, and the Y. M. C. A. is therefore expecting one of the largest attendance of the year. Dr. Hoffman's subject will be "Attention and Some of its Products."

The vesper dates and speakers for the remaining Sundays of 1916 are as follows:

November 5—Dr. F. S. Hoffman.

November 12—Rev. S. G. Parent, '93.

November 19—Rev. J. Addison Jones, Albany.

November 26—No service.

December 10—Dr. Edward Elery.

December 17—Rev. M. O. Van Keuren, city.

NEW CHAPEL SEATING.

There has been a new chapel seating list published for the Sophomores. Each man is requested to find his right seat now, since no more excuses will be accepted and marking will be begun immediately.

Fijis Invite College to Annual
Event.

At the Terrace Council meeting on Thursday, the Phi Gamma Delta fraternity, through Dow G. Roof, extended an invitation to the college to hold the football smoker at their chapter house. The council accepted the invitation for the student body, so the entire college is invited to become the guests of the Fijis on the night selected for the affair. The football smoker is one of the annual events of the fall social season and is held soon after the last game. The custom of holding this smoker was instituted by the Alpha Delta Phi fraternity, two years ago, and at that time was held in celebration of the eight straight victories which Captain Starbuck's team made. Last year Delta Phi, to open their new house, acted as hosts of the college. This year the Fijis will endeavor to duplicate the good times that have been given to the students by the other fraternities in the past.

THE FORUM

DOING HEROIC WORK.

To the Editor:

Noting editorial "Little Drops of Water" in CONCORDIENSIS Saturday, October 21st, am thinking perhaps it will interest you to know that George Wadsworth II, 1914, is doing heroic work among the starving Syrians at Beirut. It is reported that he has saved several families from starvation and is in many ways working nobly.

His family has just cabled him \$305 for his own use in this work and this in addition to that they have given for the general fund.

There is no exaggeration in the terrible reports we receive and no amount of self denial on the part of Americans for this cause, is too much. Dr. Raymond says: "Give 'til it hurts." Mr. George Wadsworth is instructor in the Syrian Protestant College in Beirut. His brother, H. C. Wadsworth, is Union 1920—both Alpha Delta Phi.

A Voice—"Mary! what are you doing out there?"

Mary—"I'm looking at the moon, mother."

Voice—"Well! tell the moon to go home, and come in off that porch. It's half-past eleven!"—Punch Bowl.

CROSS COUNTRY SQUAD WORKING DILIGENTLY

Fully Expects to Down Purple
on Saturday.

The Cross Country squad has
been working diligently during
the week in anticipation of a warm
race with Williams this Saturday
over the local course. The squad
is in good condition and fully ex-
pects to down the Purple. The
team will have the same personnel
as that which went to Colgate last
week.

As a result of the trials held
last Saturday the following men
will compose the Williams team:
Capt. Kelton, Safford '17, Hodge,
Leeming '18, H. H. Brown, Platt,
and Putnam '19. The first four
are all veterans, and H. H. Brown
showed up very well on the track
team last spring, winning the two
mile in the N. E. Intercollegiates.
Kelton, however, may not be able
to run as he strained his back in
an interclass race several days
ago.

There will be no issue of

the game in Troy.

VARSHITY IN GOOD SHAPE FOR R. P. I.

(Continued from page 1.)

now almost perfect machine.

The general consensus of opinion about the campus seems to look forward to a victory for the Garnet, and to judge from the "punch" and vim displayed by the men in their daily practice, the future indeed looks bright.

LARGE DELEGATION IS GOING TO TROY

When the early afternoon sun looks down upon the battlefield of R. P. I.'s gridiron next Saturday afternoon, there will be gathered thereon a goodly host of Union's loyal supporters, ready to cheer their warriors on to victory. The rallying cry has been sounded and over a hundred of the advance guard have responded to the call. Enthusiasm is running high. Every day witnesses the addition of new names to the lists. By next Saturday almost all of the student body will have signified their intention of going.

This is the one opportunity of the football year when it is in the reach of every student to back up his team on an out-of-town trip. Troy is sufficiently close to Union's campus to enable all to make the trip without financial embarrassment.

One hundred men are a good start for a day's circulation of the lists. By Saturday it may be hoped by the optimistic that the 100 will be 500 and that the biggest number of students on an out of town trip will go on record. The students will be accompanied by the band which has been practicing several new pieces and is ready to do its share toward arousing enthusiasm.

A full-fledged Civil Engineering Society will soon be added to Union's student activities, and judging by the enthusiasm and interest manifested at the first meeting on Monday night, the project promises to be a success.
