UNION WINS FIRST GAME OF SEASON

Trims Clarkson Tech. by Score of
32-17—Barkley Makes Spec-
tacular Shot.

TEAMWORK GOOD

Albany N. Y. State College Here
Tonight.

Thursday night the basketball season opened with a bang, when Union recorded a victory over Clarkson "Tech." by a score of 32-16. Union's team work was the main factor in this defeat. The only thing that prevented the Garnet from making a runaway was their inability to shoot. For an opener the game showed plenty of dash and "pep," and no semblance of lagging.

The Garnet had an advantage of five points at the end of the first half due to the number of fouls scored. The attack of the Garnet team was more vigorous and the guarding in the second half was closer, thus giving us a more decided advantage on our own scoring from the field. Throughout this half the Union team worked with the alacrity and smoothness of a machine, although it has barely been organized. No single man starred for Union, although each was a point on a big star. Sometimes the passing was a bit ragged, but most times it was accurate and very effective.

Clarkson had sort of a meteo in McDonald, for toward the end of the first half he made three wonderful shots, but his other attempts went for naught although he had many, too many chances. Two of his three good shots were made from the center of the floor, in quick succession and nearly took down the house. These baskets brought the visitors within striking distance but they were unable to take advantage of it, so vigorous was the Union defense.

At the start of the game Clarkson took the lead from the foul. Haubner's basket then started the Garnet quintet on a mighty push that lasted throughout the game. After this the points came in fast and furiously until Union had the visitors swamped. Everything in the second half way Union, although Barkely made a spectacular grandstand play that made every one gape with amazement. He shot the ball from the side of the court over his head with one hand, and through the ring it sailed to everyone's consternation.

For the first game of the season the Union team showed remarkable team-work, but their inability to shoot is menacing. This, however, comes with practice and the

WITTER BYNNER GIVES INTERESTING LECTURE IN CHAPEL FRIDAY

Witter Bynner, one of America's premier poets, appeared in the Union College chapel Friday evening, as part of the English Club's plan of entertainment. He gave a very interesting lecture. After introducing his subject, he gave several methods of composing modern verse, illustrating his lecture with readings from some of the later poets, such as Edwin Allington Robinson, Vachell Lindsay. After this he gave a short reading from Emily Dickinson, a woman whose genius is remarkable. Next he read selections

from Robert Frost, Edgar Lee Masters, and Robert W. Serviss. The Spectral School, a new form of modern verse was interestingly explained. Mr. Bynner concluded the lecture with reading some of his own works—the "Harvard Ode," and the "New World," some works of his own, as yet unpublished, were the last of the program.

After the lecture Mr. Bynner was entertained for the English Club, at the home of Dr. Stanley P. Chase, with an informal reception.

GARNET TO BE \$3.00 AFTER JANUARY 6th

Junior Tax Also Raised—Caused
By Increased Cost of Materials.

At the meeting of the Junior Class held on Thursday noon, it was decided to raise the price of the 1918 Garnet to three dollars each, also to raise the Junior Tax to seven dollars per man. This action was taken because of the increased cost of leather, paper and other materials. It was resolved, however, that the old rates would hold for all orders and taxes paid before January sixth. It will be possible for anyone to get a Garnet for \$2.50 before that time. Anyone wishing one of these Garnets should order it immediately, for it is necessary that the printers know at once the amount of leather and paper needed.

PRESIDENT RICHMOND IN NEW YORK CITY

Delivers Addresses at Two Din-

President Richmond Gives
Address.

The East Ballroom of the Astor Hotel at New York City was the scene of the twenty-ninth annual reunion and dinner of the Union College alumni residing in and about New York. About 125 alumni were present. At a business meeting which preceded the dinner the following officers were chosen for the ensuing term: President, Dr. George Alexander '66; first vice-president, Dr. Edgar S. Barney '84; second vice-president, Dr. Alexander Duane '78; secretary, William Allen '95; treasurer, Frederic Klein '95. G. H. Daley '92, D. O. Griffith '02, E. J. Ellenwood '05, C. Lawrence Mead '09, and Theo. Hanigan '13, were elected members of the executive committee for a term of three years. Fifty-five younger alumni were elected to membership. Dr. George Alexander, as toastmaster of the dinner, called for speeches from Dr. Franklin H. Giddings '77, Robert Benedict '84, Rev. Dr. Nehemiah Boynton, Hon. Martin Littleton, and President Charles Alexander Richmond.

During the evening a glee club was organized which won the approval of all present. The whole affair was perhaps the most successful dinner yet held by the association, and great enthusiasm was evinced for the Alma Mater, a spirit that bids fair for the continued prosperity of Union.

Monday night the remaining tickets will be placed on sale at Quinn's drug store on State Street. Reserved seats will sell at seventy-five cents and one dollar; general admission will be fifty cents. A student registration card will be good for one seat anywhere in the house.

The first basketball dance of the season will be held after the Princeton game.

SOPHOMORE SOIREE A GREAT SUCCESS

Van Eps' Orchestra Gives Won-
dreful Music—75 Couples
Attend.

BEAUTIFUL DECORATIONS

Cirker Serves Supper—Dancers
Loath to Stop.

Amidst a galaxy of colors, the Sophomore Soiree was held in the college gymnasium Friday evening. At about nine-thirty the couples began to arrive, and it was four in the morning when the orchestra played the last dance. The affair was a success, there being about seventy-five couples in attendance. Van Eps banjo orchestra furnished excellent music for the dancers. Two banjos, traps, a saxophone, a mando-bass, and a pino constituted the music-making machinery, which heightened even further the enthusiasm at the party. Cirker furnished a four-course supper during the intermission, which gave a supply of "pep" that lasted throughout the evening. It was a hard matter for the orchestra to persuade the revellers that it was time to go home, when the clock tolled the hour of four.

The gymnasium was especially well decorated for the event. Evergreens were suspended about the sides of the floor. A canopy formed of long white and garnet streamers was suspended over the floor, while about the balcony were Union banners. American flags completed the enchanting picture.

The patronesses for the affair were: Mrs. Charles Alexander Richmond, Mrs. Horace G. McKean, Mrs. Arthur Dougall, Mrs. J. R. Lovejoy, of Schenectady, and Mrs. Frederick B. Richards from Glens Falls.

The committee which was responsible for the success of the party, and for the royal good time enjoyed by all the guests was: Brenton T. Taylor, chairman; Robert R. Faust, James F. Davidson, Walter I. Alexander, and Arthur B. Dougall.

SATURDAY, DECEMBER 16, 1916

(Issue Editor S. W. Talbot.)

Tonight the basketball team plays the second game of the 1917 season. Our successful encounter with Clarkson Tech. on Thursday was a source of no little gratification, probably. The combination was a speedy one, and deserves credit. The schedule this year is perhaps the hardest any Union team has had to face. With such teams as the Crescent A. C., Princeton, Dartmouth, Amherst, Wesleyan, West Point, Williams, and R. P. I. on our schedule it is worthy of our best efforts to help that team to victory. And what a satisfaction to feel that we have a winning team! This ambition can be realized, if the whole college supports it. With four men of last year's squad, and a great amount of excellent new material, prospects for a championship team are good. The main thing left to do is to get that team in smooth running order, something that will come with practice. So to the men of the squad we would urge that you do not break training to the slightest degree. To the students, we urge you to give the team your best moral support. One of the surest methods of inspiring a team with confidence is to get an enthusiastic spirit on the bleachers. This necessitates that each one of us take in every game, to cheer with all possible vigor. Can we do it? It's up to you.

A NEW ARRIVAL.

The latest arrival in the field of sport at Williams is boxing. Bouts of every kind have been rather unfashionable ever since the evening engagements immediately preceding Cane Nights became, perforce, taboo. The call for men interested in boxing may therefore strike many as a summoning back of those pugnacious days. But such is not the case.

As outlined in another column, the plan for a series of boxing

matches originated in the Student Council. Subsequently the Administration gave its approval. Now the project, in the form of a general call for men interested in boxing, comes to the student body for final approval or permanent rejection.

Those behind the plan are prepared for any amount of skepticism as to its success. But the very fact that boxing is popular at colleges no larger than Williams gives rise to the assumption that the sport will find equal favor here. Any addition to the necessarily limited field of winter sports should be welcome. As a supplement to hockey and basketball, boxing will enlarge this narrowed field for undoubtedly it will attract many undergraduates who interest themselves in no form of athletics during the winter months. With sport for sport's sake as its chief object, with the assistance of a competent instructor, with the zest of interclass competition, "the manly art" has a bright outlook at Williams.—Williams Record.

Y. M. C. A. NOTES.

The Sunday Vespers service in Silliman Hall at 4:30, will be addressed by the Rev. M. A. Van Keuren of the local Pilgrim Congregational Church.

Dr. Van Keuren has often spoken at vespers and those who have heard him, know him to be a most interesting and forceful speaker, and to have a very pleasing personality.

The usual song service will precede the regular meeting. These services are proving to be popular and Silliman Hall has been found to be a comfortable and suitable place for them.

* * *

Hugh Williams and the Christian Education Committee have nearly completed the preliminary plans for the mission study courses which will begin immediately after the Christmas recess.

It is planned to have a group in each fraternity, and several for the neutrals. The fraternity groups will be in charge of fraternity alumni, and the classes for neutrals will be in charge of faculty members.

An extremely interesting course is to be pursued, and it is certain to prove attractive to students.

* * *

Early in January, a "Get Together" will be held in Silliman Hall, for the class of 1919. It was originally planned to hold this before Christmas, but a suitable time could not be found.

Judging from the success of the Freshman "Get Together," these events are sure to be great successes. The other classes will be entertained later in the winter.

Mr. Norman Davis, Union 1913, who has just recently returned from China, has been spending the last few days on the hill. Mr. Davis was connected with an exploring expedition into the interior of China sent out by the Standard Oil Company of New York. The object of this party was to search for oil. They journeyed into the province of Sheni where they drilled seven wells. Oil was found here but not in commercial quantities so work was soon abandoned. In this section of the country the Japanese ten years ago drilled five wells of which two are still being worked and are producing small quantities of kerosene to be used in the province. With the abandonment of the project Mr. Davis's work was finished and he returned to this country.

Mr. Davis was a member of the Glee Club, the football team, and the Phi Gamma Delta fraternity.

Comedy.

ANOTHER NEW TITLE

Stage Manager Sammons Working Hard on Setting.

Guy Beckett has been chosen to play the title role in "The Best Little Woman in the World," the musical comedy from the pens of E. W. Mandeville and H. R. Knight. Harold Dunn will play "Peters," the servant, and John Goller will take the part of Mr. Dale, a country parson. The names of the other members of the cast were announced in the last issue of THE CONCORDIENSIS.

The Dramatic Club found great difficulty in the matter of choosing a cast as there was such an abundance of good material and so few parts. Many experienced men could not be included in the cast on account of the need of singing voices. It is hoped, however, that these men can be used in specialties.

In an interview with a CONCORDIENSIS reporter, Mr. Mandeville, the author of the book and lyrics, stated that he is now working on several comedy burlesques which will be inserted in the second act. He also said that he was considering changing the title of the piece to "For the Love of a Girl, in Which Ned Dale, by Earnest and Steadfast Love Triumphs Over Frederick Steele and Fickleness is Downed."

Phil Down announces that regular rehearsals will be held twice weekly from now on. Harold Sammons, the college Benrimo, is making elaborate plans for the play's setting.

PRESS CLUB CALENDARS ARE SELLING RAPIDLY

May Be Secured at Fraternity
Houses and the College
Office.

At the regular meeting of the Press Club held on Wednesday evening a new General News Committee was appointed consisting of Theodore Palmer, chairman; and Edward Cameron. It was announced that a new schedule has been made out and was posted on the club bulletin board. The Calendar Committee reported the rapid selling of the 1917 Union calendars. Only a few of these calendars are left and those students desiring one should secure one at once. They will be found on sale at the fraternity houses and at the college office.

At a meeting of the Debating Council held recently, several proposals for out of town debates were submitted, but no definite action was taken. Owing to the press of other extra-curriculum activities, the debating clubs have been somewhat neglected, but the members are confident that this condition will be overcome in the near future.
