AMHERST DEFEATED IN SPARKLING GAME BY SCORE OF 23 - 6

Purple Scores First on Spectacular Run.

LONG FORWARD PASS
EVENS UP THE SCORE

Garnet Thereafter Plays In Best
Form and Outcome is Never
In Doubt.

Except for two streaks of splendid line bucking and remarkable end running by the Purple team, the Union eleven clearly outplayed Amherst Saturday on Alexander Field, by the score of 23-6. The first score of the game was tallied for Amherst by Melchor, who intercepted a forward pass and ran through a broken field for a touchdown. The tide turned in Union's favor after about eight minutes of play and remained with the Garnet team throughout the remainder of the whole game. Some long end runs during the last few minutes of play raised the hope of the Amherst spectators, but these gains did not net another score for the visitors.

First Period.

Amherst won the toss and Rosekrans kicked off to Melchor, who ran back to his own thirty yard line before he was downed by Curtis. At once the Purple started an offensive which for a time threatened the Union goal and which for the only time during the game showed Amherst's ability to gain through the Garnet line. The first two plays did not amount to much, but on the third Goodrich went around the end for about ten yards and a first down. Then Melchor broke through for a gain of eight yards (Continued on page 3.)

TALK WED. IN CHEM. LECTURE ROOM

Should be of General Interest to
Faculty and Students.

A representative of the National Fire Proofing Co., of New York City, will give a lecture in the Chemistry Lecture Room, on Wednesday afternoon, November 15th, at 3:30 o'clock. This lecture will discuss the process of manufacture and the uses of various forms of clay tile. The lecture will be illustrated and will be of a sufficiently general character to interest the students other than those taking technical courses. All interested, including faculty and students, are invited. This lecture is being held under the auspices of the General Engineering Department.

REV. MR. PARENT ON "OPPORTUNITY"

Interesting Address at Vesper
Services Yesterday.

SEWARD AN EXAMPLE.

Speaker Says the Golden Moment
Should be Snatched.

In an address delivered at vespers yesterday, the Rev. Mr. Parent, 'Union '93, pastor of the First Presbyterian Church, Mariaville, gave students a bit of excellent advice concerning the use of opportunities. Before beginning the discussion, Mr. Parent indulged in several reminiscences of his life at Union more than twenty-five years ago, describing in an interesting manner how chapel and vespers were conducted in the old days. Touching briefly upon his own appreciation of the benefits of a college course, Mr. Parent declared that the four years of college were the golden years of opportunity of a man's whole life.

Hereupon he began the address, taking as his text the twenty-seventh verse of the eighteen chapter of Luke: "And they told him that Jesus of Nazareth passeth by." The speaker said, in part: "It was the blind Bartimaeus outside the gates of Jericho who, upon being told that the great concourse of people which he heard was accompanying Jesus to Jerusalem, cried with a loud voice upon Him and was cured of his blindness. Thus Bartimaeus realized his opportunity. It was passing in the form of the Saviour and he snatched desperately at the golden moment, receiving in fullest measure his reward."

Mr. Parent's definition of opportunity is worthy of being kept for all time in the memory of each of his hearers: "Opportunity is the open door through which we must pass or remain outside." Answering the unspoken question in the minds of all as to what, in our life is the one greatest opportunity, the speaker said that that

DANCES AND TEAS BRIGHTEN WEEK-END

Psi U's, Chi Psi's, and Phi Delt's
Entertain.

TWO DINNER DANCES.

Phi Delta Theta Gives Tea After
Game and Dance in Evening.

Friday evening, November 10, the Psi Upsilon fraternity entertained about 40 couples at a dinner dance. The music was furnished by Pantin's Orchestra. The patronesses were, Mrs. A. B. Dougall, Mrs. W. E. Talbot and Mrs. Yates of Schenectady, and Mrs. A. M. Lowman of Elmira.

Saturday, November 11, the Chi Psi fraternity entertained about 35 couples at a dinner dance. Many of the Amherst rooters attended. Ladies were present from New York, New Rochelle, Vassar College and Schenectady. O'Neil's orchestra played during the evening. The patronesses were: Mrs. E. J. Griswold of Slingerland, N. Y., Mrs. J. P. Donovan of New Rochelle, and Mrs. C. E. Marsh of New York.

Directly after the Amherst game the Phi Delta Theta fraternity gave a tea. O'Neil's orchestra played in the afternoon. In the evening many guests were entertained at a dance. The house was beautifully decorated with autumn foliage. The patronesses were: Mrs. Garis, Mrs. Upp, Mrs. A. G. Hawn of Albany, Mrs. C. D. Hawn of Ravena, Mrs. W. P. Huested of Delmar, Mrs. Northrup and Mrs. Moon of Schenectady.

Opportunity is the call to live our life for God. When that opportunity comes, Jesus of Nazareth is at hand for us and from that time the privilege is ours to go about doing good even as He did. It is our golden moment, the moment when we must use our talents for the acquirement of character.

As an example of a full realization (Continued on page 4.)

PEERADE COMMITTEE MAKING FINAL SPURT

Ideas, Costumes, and Publicity
Arranged for.

ROLES ASSIGNED TODAY.

Gossip on Campus is Unauthentic
According to Silent Committee.

The Frosh Peerade Committee has already accomplished a great deal toward producing on Saturday, the eighteenth, the biggest and best display of this kind ever seen. Practically all of the subjects to be caricatured have been chosen, the costumes and signs have been arranged for, and the publicity of the peerade is being secured through the papers and through two sets of posters.

Those collecting the tax on the Student Body are having some difficulty with a few men who refuse to pay their share. The committee members are paying and they, if anyone, should be exempt.

Today the committee, aided by three Freshmen, selected the members of 1920 who are to fill the different roles in the event. In doing this a great deal of care was taken to pick the men best fitted to play the respective parts. For some of the most elaborate tableaux a leader, to whom instruction sheets were issued, was chosen.

Many rumors regarding the stunts have been flying around the campus, but for none of these will the committee vouch. Its members shake their heads and mutter, "Wait and see."

The band, which is to lead the whole performance, will come forward with some new surprises. If it can't play better, it promises to play louder and that is desirable. And as for costumes, wait!

STEADY NOW!

We have come to the last round of the football ladder. One more step upward and we will have climbed through a successful season. A little slip now and we will never make the top at all.

Back down towards the bottom of the ladder we did slip. At the very beginning, it took us three attempts to hoist ourselves upon the first round. Later, N. Y. U. halted our ascent momentarily. Then, after that, we found ourselves, and it was a short, quick climb to where we are now.

Two rounds back, when we were over in Troy, we discovered that that "punch", which had been until then lying dormant, could be aroused and brought out into the air when we most needed it. This was a happy discovery—we had not known it before. The next round—that upon which we now stand, and which is labelled "Amherst"—stands for another happy discovery. We found Saturday that the "punch" could be mustered to our aid not only when the tide of things was running with us or running neither one way or the other, but also when it was running dead against us.

We had always felt that we had the power to come from behind and win, but we hadn't, until Saturday, brought that power out and used it. Now, with the confidence of accomplishment behind us, we are supremely sure that we can do it again if the need arises.

So we are ready to climb upon the last round—the round that is labelled "Hamilton." In the last two games we have made just the right discoveries to assure us that we cannot fail to make this last step.

And here is where we should pause and gather ourselves. Here is where we should be steady. If in the Hamilton game the tide seems to be running our way from the start and we march immediate-

ly down upon the goal-line with the ball, we must be steady. R. P. I. proved to us that, in such a situation, we could muster the power to go on over the line, but we must remember that it will be twice as hard to do this time. It must come to us in the same thought that, while we can do the job, it is going to be very, very much harder than it ever was before.

And, on the other hand, if the tide starts running the other way at first and Hamilton rolls us back over our own goal, we must be steadier yet. We must remember that the Amherst game proved we had the power to turn the tide our way. We must remember that we can come from behind and win, and at the same time realize that it will be very much harder to do than it was before. We must be prepared to do the job that we know we can do, and also prepared to find it far more difficult.

We are absolutely sure we will be atop the ladder next Saturday night. We know we are going to beat Hamilton. But we are going to keep a steady head on our shoulders, nevertheless, and not slip on the little spot marked "over-confidence."

ALUMNI NOTES.

G. R. Parker '03, and Billy Rogers '13, spent Friday and Saturday nights respectively at the Sigma Phi Place.

Amos Munson '12, was at the Phi Gam. House for a few days during the early part of the week, and John Jackson ex-'17, spent Saturday there.

Russell Greenman '96, and some of the local alumni, attended the dance at the Chi Psi Lodge on Saturday night.

George R. Chapman '12, and E. P. Culver '15, spent Saturday at the Psi U. House.

Horace Zimmer '16, C. B. McMurray '87, and Schuyler Vroman '16, were at the Delta Phi House during the week.

Hughes '16, passed several days during the early part of the week at the Pyramid Club. H. L. Baine '15, spent Saturday there.

"Chuck" Hummer '16, was at the Kappa Alpha House after Saturday's game.

Dalton James ex-'14, Harry Marvin '15, Ernie Houghton '15, Edward DeRouville '16, and R. A. Newton '16, spent the weekend at the D. U. House.

but was thrown hard by Homer Goff. On the next play he again broke through the line to be downed by Rosekrans. Foster broke up an end run and Goff threw Goodrich for a loss of three yards. A forward pass was not completed and then Amherst tried a drop kick which went wild.

Rosekrans went through the line for five yards and Witner and Roof followed with gains of four and five yards. Witner went through center for three more and then tried a forward pass which Melchor intercepted and ran through the broken field for a touchdown. Widmayer missed the goal. The score: Amherst 6, Union 0.

Amherst kicked to Union's 20

yard line. Goff went for five yards around the end. As the Amherst line was holding well, Rosekrans kicked. The wind was against him and he was only able to send it to the Union 35 yard line. Amherst could not gain on account of the good work of McDonald and Curtis and therefore tried another drop kick which was wild. The period ended with the ball in Union's hands on our twenty yard line.

Second Period.

Rosekrans punted to Amherst's thirty-five yard line and after three tries that did not net them anything, the Purple kicked back, thus giving us the ball on our forty yard line. It was a good exchange of punts and netted the Garnet twenty yards. From this point on, the Garnet backs worked well and on consistent line plunges they worked the ball up to Amherst's twenty yard line. Here our line became overanxious and we were penalized fifteen yards for holding. On the first play, however, Amherst fumbled the ball and Hay recovered it. In two tries Rosekrans made nine yards through the line and Witner made it first down. Delaplante took Roof's place at fullback and made three yards through the line. Then Goff took the ball for five more and Witner sent a forward pass over the line to Moore. Rosekrans kicked the goal. Score: Union 7, Amherst 6.

Rosekrans kicked off and Powell made the tackle. He was hurt in this play and Saxe took his place. Amherst could not gain and Union took the ball on downs. As the half was about over Rosekrans tried a drop kick from the 45 yard line. It was a little to one side, and the whistle blew as the ball landed.

Second Half.

Roof went back for Delaplante and Price took Curtis' place. Amherst kicked off to Witner and on the next two plays Union made ten yards on off-side penalties. Then Rosekrans took the ball for twenty yards, but the next four tries did not gain much and the ball went to Amherst on their 30 yard line. The Union line held like a wall. Amherst was forced to kick to Rosekrans who was downed on the fifty yard line. Witner lost eight yards on an end run. Rosekrans kicked out of bounds on Amherst's twenty yard line. Amherst fumbled and the ball went to Union on the Purple's 23 yard line. Rosekrans hit the line for three yards after which Amherst was penalized five yards for off-side play. Rosekrans made three yards and then Goff went eight yards to the Amherst three yard line. Roof made a yard. Rosekrans took it to the half yard mark. From here Witner pushed it over. Rosekrans kicked the goal. Score: Union 14, Amherst 6.

Rosekrans kicked over the Amherst line and therefore the ball went to Amherst on their twenty yard line. They could make no gains and on the fourth down fumbled and the ball went to Union on Amherst's 20 yard line. Travis took Goff's place and made three yards through the line. Moynihan and Mudge went in at

ends in place of Foster and Moore. Moynihan took the ball around the end for six yards on the first play. Witner fell back and threw a forward pass to Roof in the midst of the Amherst team and after throwing off two Amherst tacklers he went over the line for another touchdown. The kickoff was fumbled. Score: Union 20, Amherst 6.

Rosekrans kicked; Bowman was down under the ball and made the tackle. Mudge threw Goodrich for a loss of ten yards. Travis stopped the next play. Goodrich went for a long end run and brought the ball to Amherst's 45 yard line.

Fourth Period.

Amherst was penalized five yards for off-side play and then Melchor went seven yards around the end. Union held at this point and took the ball in the middle of the field. After a couple of unsuccessful tries Rosekrans kicked to Goodrich on Amherst's 30 yard line. Amherst fumbled and McDonald recovered. Travis went seven yards through the line in two plays. Rosekrans dropped back and kicked the ball over the bar for three more points. Score: Union 23, Amherst 6.

Rosekrans kicked off and Amherst worked a pretty forward pass on the first play. The game ended shortly after with the ball in Union's hands on the Amherst 45 yard line.

The line-up:

tion of an opportunity, Mr. Parent cited the case of the famous Mr. William H. Seward, one of Union's most illustrious sons. He had spent in one year of college the money which his father had given him to pay the expenses of his full course and, returning home at the end of the year was told by the elder Seward that thereafter he was to be self-supporting. It was the sense of his previous folly and the determination to utilize what opportunities remained for him which resulted in the subsequent triumphs of his life, culminating in his appointment as Secre-

ARE PIONEERING IN WIRELESS TELEGRAPHY

Engineers Are Developing New Indoor Aerial.

Research work in wireless telegraphy has been under way for sometime past in the Union College wireless station. The professors and students of the electrical course have finally developed an indoor aerial. It is a flat coil, about eight feet square, and by the use of vacuum bulb amplifiers, signals are made. The great advantage found in this new coil is that it is not affected by conditions of the weather. Electrical storms seem to make no difference in its operation.

In an article published by the Knickerbocker Press several weeks ago great credit was given to Union for pioneer research in this line. The Press also emphasized what an important contribution it was to the science of Radio telegraphy.

Experiments are also being conducted on primary batteries with a view of increasing their efficiency.

RADIO CLUB REVISES CONSTITUTION

Instruction Classes Will Be Considered.

There will be a meeting of the Radio Club on Wednesday evening at 7:30 o'clock. At this meeting there will be a revision of the constitution to conform to the rules of the Radio Club of America with which the Union Club will affiliate. The matter of telegraph code instruction classes will also be taken up. This is to be an important meeting and it is urged that the members and those wishing to try out for membership be present.

PHI GAM'S TO GIVE FOOTBALL SMOKER

Annual Event to Be Soon After Hamilton Game.

The annual football smoker to the faculty, students and alumni of Union will be given this year by Phi Gamma Delta. It is probable that this will take place the Wednesday evening after the Hamilton game. This smoker is one of the big autumn events at Union and promises this year to be a very enjoyable occasion, since the Fijis to a man are putting forth every effort toward making it a perfect success in every way. Many of the alumni are making plans to be present, and many things of importance in Union life will be discussed, that of class organization in particular. The Phi Gam's extend a most hearty welcome to all the faculty and student body, as well as to the alumni.
