CAPT. MOYNIHAN STARS

Hochuli Is Cool Centre—Travis Smashes Through Centre and Jones' Work is Brilliant.

Union defeated St. Lawrence Saturday on Alexander Field by a score of 20 to 6. That was the most important feature of the game to outsiders, but to the student body the more vital feature was the line it gave on the quality and calibre of the team.

The contest was fairly fast but was marred by the usual fumbles of the early season, and the poor condition of some of the visitors who were greatly outweighed in the line by their Garnet rivals. Scoring started early. On the third play of the game Captain Moynihan ran 60 yards through a broken field for a touchdown and Jones kicked the goal.

When play was resumed Hy kicked off to St. Lawrence and Wilson ran the ball back 5 yards. (Continued on page 4)

LIEUT. NORSWORTHY ARRIVES IN TOWN

Canadian Officer to Drill Union Students.

VETERAN OF GREAT WAR

Was Wounded in Capture of Vimy Ridge After Five Months at Front.

Lieutenant John W. Norsworthy, the Canadian officer who is to have charge of military training here under Lieutenant-Colonel Goldman, arrived in town last Saturday afternoon. He was seen yesterday afternoon by a reporter for THE CONCORDIENSIS at the Mohawk Hotel, where he is staying for a few days until he is settled in the dormitories, where he will room.

Lieutenant Norsworthy is a young man about thirty years of age, stockily built, and more American in bearing and accent than a Canadian might be expected to be, probably the result of five years residence in New York City where he was employed in the Canadian Bank of Commerce up to the time of his enlistment in a siege battery of McGill students, although he himself is not a McGill man. He attended preparatory school in St. Catherine, Ont.

After training in Canada in an officers' training corps similar to the Plattburgh Camp, Lieutenant Norsworthy went to England last fall as a sergeant in the artillery. He was transferred to the infantry and given a commission before leaving for France in December, after several weeks' training in England. He was at the front until he was wounded and invalided home. This was in April in

NEW CHEM LABS TO HAVE BEST EQUIPMENT

Dr. Ellery Negotiating For Purchase of Furniture—Visits Chemistry Exposition.

Dr. Ellery was in New York City Friday and Saturday of last week on business connected with the purchasing of furniture for the laboratories in the new Chemistry Building. The furniture for three of the laboratories has already been purchased—the Freshman laboratory in general chemistry, the Sophomore qualitative analysis laboratory and the laboratory for physical chemistry.

For the upperclass laboratories for qualitative analysis, organic chemistry and research work and for the lecture room furniture has yet to be provided. Several New York firms are bidding on the equipment. It is the intention of Dr. Ellery to have the upperclass laboratories furnished with especially fine equipment and for that reason the task of purchasing the furniture is not of the easiest.

Incidentally Dr. Ellery attended the Chemical Exposition at the Grand Central Palace.

LOUGHLIN '17 AWARDED LIEUT.'S COMMISSION

William C Loughlin '17 has been commissioned second lieutenant in the Engineer's Reserve. At present Loughlin is working for the H. K. Corbin Construction Company at Chester, Pa. He is a member of the Phi Gamma Delta fraternity.

Fifteen Men Voted For on First Ballot—Eight Qualify for Second Lap.

Walter Hochuli, Frank Moynihan, Sidney Talbot, Frank Peaslee and Harold Calkins were elected to the Terrace Council in student meeting this noon.

Hochuli and Moynihan polled the highest votes, running far ahead of their opponents. Talbot, Peaslee and Calkins ran closely together.

There were fifteen nominees. On the first ballot the highest eight were:

Calkins	72
Hochuli	141
Travis	66
Moynihan	115
Lester	58
Peaslee	65
Talbot	64
Bascom	56

On the second ballot these men received:

Calkins	105
Hochuli	167
Travis	99
Moynihan	147
Lester	89
Peaslee	106
Talbot	109
Bascom	75

Hochuli is a member of the neutral body. He was neutral representative on the 1918 Garnet Board and has been active in class and varsity athletics. He plays center this year on the varsity team.

BRACE UP OUR CHEERING!

It has been said that the cheering of Union College students is very good when the team is winning. Saturday's example of the cheering of Union College students corroborates, if it does not prove, the truth of this opinion.

When St. Lawrence made their touchdown the students wilted to a man. Throughout the game they were limp. They lacked starch, pep, ginger, snap, spirit,—call it what you choose. The cheer leaders had to rouse them constantly and then they responded only feebly.

The poor cheering can in part be explained by the fact that almost half the cheering section was composed of Freshmen and the Freshmen were sad rooters. They did not follow the cheer leader. They did not know the yells. They did not know how to yell. They were out of time. They messed it.

But the multitudinous sins of the Freshmen might have been covered had the rest of the students been up to snuff. But they were not. They were ready to cheer only the big gains and the spectacular plays. The rest of the time they had a lump in their throat and their tongues cleaved to the roofs of their mouths.

There was a time when Union men could cheer and cheer from the kick-off to the last whistle, whether the team was scoring or losing. Where is the old Spartan spirit? Is it frozen in our veins? Are we going to let that opinion stand—that Union men are good to cheer only when the Union team is winning?

It would be a good thing to have a campus meeting Friday night of this week. There is nothing like a campus meeting for starting a wave of enthusiasm that will

sweep the team to victory. Campus meetings get the students used to cheering together and singing together and they work the students up to a pitch of salutary semi-hysteria.

Another instrument of good cheering is the band. A brass band imparts clan to any gathering. To its strains soldiers advance with greater ardor and a better esprit de corps. It works the same way on the student body. The band was out at the first game and played, as it always does, well. The College Band needs more musicians. They offer to teach anyone to play within six weeks who has native ability and willingness to learn. Join the band, you who can play or can learn to play, and do your part towards improving the spirit of the student body.

History now offers another illustrious example of the disasters which befall the newspaper man in politics.

CHRISTIAN ASSOCIATION OUTLINES YEAR'S WORK

Classes for Foreigners, Bible Study and Vesper Services to Be Conducted.

The cabinet of the Christian Association held a meeting last Friday evening in Silliman Hall, for the purpose of outlining the work for the coming year. Each member of the board gave a brief resume of the work to be covered in his department.

Winfield Swart '19, speaking of the Bible study classes, explained his plans for conducting this part of the work. The regular classes will be led by members of the faculty, and in addition to this program, a series of one or two lectures on student standards of action and their relation to church and Y. M. C. A. activities.

John Hoag '20, head of the social and industrial service, stated his intention to co-operate with the High School and City Y. M. C. A. in this work. The classes of English for foreigners is to be held in the American Locomotive plant. The call for teachers may be expected very shortly when a few minor arrangements have been completed.

Ernest Slade '18, in charge of the employment bureau, spoke briefly concerning the course to be followed in his department.

The vespers, under the direction of Arthur Newman '18, will be continued this year. It is the desire of the association to obtain several well known religious speakers at various times to address the meetings.

The final speaker, Dean Ripton, member of the Christian Association Advisory Board, referred to the Association as the one institution in college for advancing interest in religious activity.

He closed with a strong appeal for deeper interest on the part of

GLEE AND MANDOLIN CLUBS TUNING UP

The Glee Club meets tonight for its first rehearsal.

More tenors are needed, and it is hoped that more men who can sing tenor will be out tonight. Sidney Tlabot, leader of the Glee Club, has secured some lively music and three songs have already been chosen, which the club will begin rehearsing tonight.

Although on account of the scarcity of men the Mandolin Club has not definitely organized as yet, a combined number for the two clubs has already been planned.

Edward M. Cameron, manager of the Musical Clubs, has made no positive engagements yet, but several are under consideration and it is expected that the first concert will be held the latter part of October.

MANDOLIN CLUB ELECTS LEADER

The Mandolin Club held a meeting today at 2:30 in Silliman Hall for the purpose of electing a leader for the season of '17-'18. This election was called to decide the tie between Stein '18 and Younie '18, the result of last Friday's election. Ted Goggin, who was formerly the Mandolin Club Coach, will coach the Club again this year. The Musical Clubs plan to organize an ever popular "Jazz Band" which promises to be an even greater hit than the Ukulele Club of last year.

Later—Ignatz Stein was elected Leader.

THE PAST AND PRESENT

Keep abreast with the times. We are not living in the stage coach decade, at which time the mentioning of flying machines would have been taken as an idle jest. In the present century you wouldn't think of traveling as one did in by-gone days. Neither would you of having your shoes repaired by the old style hand method way, if you knew the superiority in our up-to-date machine way of repairing.

STUDENT BODY ELECTS 5 TERRACE COUNCILMEN

(Continued from page 1)

Moynihan is a member of the Pyramid Club. He has been prominent in all branches of major sports since his Freshman year and this year captains the football team.

Talbot is a member of Psi Upsilon. He is leader of the Glee Club and is a member of THE CONCORDIENSIS Board.

Perslee is a member of Phi Theta. He is captain of two major sports—baseball and ck.

Calkins is a member of Beta Theta Pi. He was president of his class, Sophomore year, and is in the football squad.

FRED DAWSON'S TEAM STARTS SEASON WELL

The Princeton '21 football team, coached by Fred Dawson won their first game from Lawrenceville Prep by a score of 14 to 0. The Princeton team made a much better showing than the score showed, having the school team on the defensive throughout. Freshman athletics at Princeton this year are really varsity athletics and Dawson's work there will be watched with interest by Union students.

Fred Dawson, Union's old coach, has seventy-one men on his squad of Freshmen at Princeton, with the chances good for more men reporting later.

WHO'S WHO IN UNION ATHLETICS.

Frank Moynihan.

Frank Moynihan is probably the best known athlete at Union today. He is a three letter man, having his U in football, baseball and basketball, and has won his letter several times in the first two sports. Now in his senior year he is capping his career with the captaincy of the football team in perhaps the most trying season Union has ever faced. When one thinks of "Corky" one impression stands head and shoulders above all others, and that is the impression of speed. Quick as a flash on the basketball court, his speed has made him one of the best third basemen Union has ever had, a post that he has held down as a regular for three years. He is easily the fastest man on the football squad and in every game he has played during his three years on the 'varsity, whether as an end or a back field man, his phenomenal quickness has featured itself by long runs or unusual defense work.

The indications of the early season point to Moynihan's senior year as being his banner year and every student of Union is back of him in the record that he is making, a record that will stand for many years.

Two hundred and ten students, more than half of whom are Freshmen, have enrolled for military training at Brown.

LIEUT. NORSWORTHY ARRIVES IN TOWN

(Continued from page 1)

the celebrated advance of April 9, when the Canadians captured Vimy Ridge.

Later on Lieutenant Norsworthy will address the students, touching upon his own experiences in the war and describing the life of a soldier at the front and the methods of warfare followed by Haig's army.

When asked what sort of instruction he would give here he replied that he could not say until he had conferred with President Richmond and Lieutenant-Colonel Goldman and had consulted the prospectus of the U. S. War Department.

Lieutenant Norsworthy visited the campus late Saturday afternoon and expressed himself as particularly impressed with the spaciousness of the campus and the appearance of the gymnasium and other buildings. He is particularly interested in football and enquired about Saturday's game and the prospects for the season.

* * *

Lieutenant-Col. Goldman and Lieutenant Norsworthy were present in chapel this noon. In announcing their presence Dr. Richmond urged the students to put earnest efforts into the military work.

"I have told them," he said, "to hit hard and spare not. Put your heart into this work while you are at it. You are qualified to pick up this training very quickly. We have all the essentials here for a Reserve Officers' Training Corps. We only await the official inspection."

"We welcome Col. Goldman and Lieut. Norsworthy and we assure them of our cordial co-operation."

At the conclusion of Dr. Richmond's remarks a long yell was given for both officers.

TALBOT NAMES CHOIR.

Sidney W. Talbot '18, leader of the Glee Club, has announced the selection of the following men to sing in the chapel choir for the ensuing year:

1918—Harold Cook, Sidney W. Talbot, William L. Kennedy.

1919—John H. N. Potter, Robert Faust, C. A. Brind, Lloyd Parker.

1920—MacMaster, A. W. Hendrickson, McGee, Rowe, John Hoag, Winne Sherwood, William Greeley.

1921—Potter, Hawkes, Hulsapple, Kennedy, Curtis, Stewart, Wilbur.

Nine Princeton men, three of whom were undergraduates who left college last spring to become ambulance drivers, have been killed in the war.

CHEMICAL LIBRARY FUND IS INCREASED BY \$1,000

In chapel this noon President Richmond announced that Dr. Robert Fuller '63 has given the sum of \$1,000 to the Chemical Laboratory fund, which is already \$4,000. Besides this money gift Dr. Fuller has presented the Chemical Library with a complete set of the proceedings of the French Chemical Society.

ST. LAWRENCE PROVES EASY MEAT FOR UNION

(Continued from page 1)

The visitors made first down but then Union tightened and forced St. Lawrence to kick.

Moynihan ran the punt back twenty yards and Jones and Travis hit the line for small gains. Jones again took the ball for a wide-end run but just failed to make the necessary distance and the ball went to the visitors. Union recovered the ball on a fumble and was making steady gains when the period ended.

Union opened the second quarter by being penalized for being offside, but Moynihan tore off a run around end for thirty yards and Travis, Jones and Hanley worked the ball right under the goal post. On fourth down Moynihan decided against a line buck, the expected play, and tried an end run himself, but was nailed by a wide-awake end for a loss.

St. Lawrence kicked outside at the center of the field. Union tried a forward pass but Reamon broke through and intercepted the pass, making a pretty dash for a touchdown, although Captain Moynihan nearly caught him. The goal was missed and shortly after the kick-off the period ended with the ball in Union's possession on their own forty yard line and the score 7-6 favoring the Garnet.

Union began the second half with the team unchanged except for Coit being in place of Bellinger at left end. St. Lawrence had made no substitutions.

Moynihan ran the kick-off back thirty yards and then the Garnet attack opened up. Travis smashed through center for nine yards and Jones made it first down with a run around right end. On the next

The play of the line was very good throughout and some disappointment was felt that the lack of weight prevented St. Lawrence forwards from making a stiffer fight of it. Captain Moynihan and Jones starred for Union with long runs and brilliant interference, but the cool, steady play of Hochuli at center and Travis and Hanley in the backfield did much to win the day. The two recruit ends, Notman and Coit, both showed up well and will probably get in many of the remaining games. MacMaster, substituting for Moynihan, ran his team with sound judgment and vindicated Murray's confidence.
